DISCUSSION QUESTIONS

1. Read **Acts 2:42-47**. What points or applications from the sermon particularly resonated with you? What questions do you have from the passages that were preached?
2. What do you think made these believers devoted to these practices? Do you think we see this kind of devotion today in our churches? Why or why not?
3. From the four practices that this early church community was doing, which one is the most challenging today to remain devoted to? Why?
4. There is a radical kind of love and sacrifice that is on display in this church (vs. 44-45). Why do you think they were willing to do this? What do you think it would look like today to live out those verses?
5. “Living in Community” wasn’t just a weekly religious activity, but an everyday expression of their faith in Jesus. Why do you think they were so fervent in living out this way every day?

OUR OPPORTUNITY TODAY

6. In **Acts 2:47**, even people outside the church were blessed because they were having favor “with all the people”. In what ways is this true of the church today? What are some ways your LIFE Community can be more visible and have the opportunity to find favor with all people?
7. What is the biggest takeaway or application you are going to make this week to your life?
