

Connecting to Jesus

Why: John 10:27 - “My sheep hear my voice, and I know them, and they follow me.”

- To experience the life-changing love of Jesus and to extend that love to others, we must daily be connecting to Jesus.

What is a Disciple:

- A disciple is one who is daily following Jesus, experiencing life-change, and living Jesus’ mission to make disciples.

What is Disciple-making:

- The intentional process of equipping others to become like Jesus.

Disciple Commitment:

- Commitment of Priority: I will make my relationship with Jesus the highest priority in my life.
- Commitment of Up/In/Out Relationships: I will seek to grow in my love for Jesus (Up), other Jesus-followers (In), and non-Christians (Out).
- Commitment of Prayer: I will daily spend time in prayer both speaking and listening to Jesus.
- Commitment of Growth: I will seek to grow myself spiritually through discipling relationships and practicing spiritual disciplines.
- Commitment of Missional Living: I believe I am called to be a witness to non-Christians and will show and share Jesus to those individuals with love.
- Commitment of Holiness: I will seek to live a holy life that was modeled by Jesus in the Gospels.
- Commitment of Discipleship: I will enter into disciple-making relationships and allow others to help me become more like Jesus.
- Commitment of Service: I will discover my spiritual gifts and use them to mature other followers of Jesus.
