**Instructor:** Shan Norwood ([shanwnorwood7@gmail.com](mailto:shanwnorwood7@gmail.com))

**Location/Time:** Online via Zoom / Wednesdays at 8 PM

**Cost:** None

**Description:** In this course we will seek a richer understanding of the Bible by studying the context of the world in which the Bible was written and the events of the Bible that took place. For example, who were the Pharisees and Sadducees and how did they arise? We'll also look at the Covenants written in the Ancient Near East and discover how God's covenants with His people superseded those of the world and how He demonstrated equity and fairness to those who would be considered the least of these. Each week we will focus on a different aspect of the culture of the world of the Old and New Testament and tie it in with our understanding of Scripture.
